The Holiday Season is a wonderful time to reflect with gratitude on the past and to celebrate the future with optimism. This being my first Holiday message as Mayor, I will take the opportunity to do both.

First things first, I am thankful for Wilkesboro and the blessing I have of being part of a wonderful community. Having resided in many places during my early life, I have to say that there is no place like my Wilkesboro. We are blessed to live in a place filled with kind, generous people surrounded by natural beauty and endless opportunities. As Dorothy so aptly stated ... "There is no place like home"!

To our extraordinary Town staff, I would like to express my deep appreciation for your dedication to the citizens of Wilkesboro. Your continual devotion to excellence is not lost on any of us. Our Town loves and thanks you for all you do to make our lives better.

To the dedicated Town Board, I would like to say thank you for the many hours you have spent focused on the future of Wilkesboro. Your gift of your time and talents to our fellow citizens is greatly appreciated by all.

This Christmas Season, I hope you will join me in the spirit of hope and optimism for the Town of Wilkesboro. Much has been accomplished over the last few years, but much more remains. As I look ahead to 2024, I am optimistic that we can tackle the problems that we face and take advantage of the many opportunities that exist. I am surrounded by faithful and dedicated Town Council and Town Staff that have a tradition of excellence. Thanks to these men and women and all those in our community, the years ahead are filled with promise.

I am thankful for the opportunity to serve Wilkesboro as Mayor. It is truly an honor and privilege. I promise to serve faithfully and honestly.

On behalf of myself and Michelle, my wife, I extend our warmest regards and best wishes to everyone in our Town. May the spirit of this wonderful Season be with you and your loved ones throughout the holidays with many blessings in the New Year.
