For all other pickups, please call the Sanitation Dept. 336-838-0188

If no answer, please leave a message with your name, address, and telephone number.

§ 51.04 CONTAINER, STORAGE AND COLLECTION PRACTICES.

(I) Garbage placed in rollout carts shall be wrapped, bagged, or enclosed in paper or plastic material. Any liquid waste, such as grease, shall be sealed in its own separate container before being placed in the rollout container. Failure to comply with this rule may result in the customer being charged as stated in the current schedule of fees for the cleaning and/or replacement cost of their rollout cart.

§ 51.06 CONTROL OF SOLID WASTE.

(C) All commercial establishments shall, particularly with respect to their loading and unloading areas, store their refuse in bulk containers (dumpsters) so as to eliminate wind-driven debris and litter in and about the establishments. Approved methods of containerization include town issued rollout carts and bulk containers (dumpsters). The establishment shall immediately clean up spillage and overflow when and as it occurs.

(F) Rollout carts and glass recycling containers for refuse shall be removed from the street or alley by 7:00 p.m. on the day of collection. The Town of Wilkesboro reserves the right to charge a fee for noncompliance with this requirement as noted in the current schedule of fees. Section 51.99 of this chapter, entitled Penalties and Remedies may also be referenced.

§ 51.09 RECYCLABLES.

(1) Recycling bins are to be used for recyclable items only.

§ 51.20 SPECIAL COLLECTION; YARD WASTE AND BULK ITEMS.

(3) Yard waste, such as grass trimmings, twigs, hedge trimmings, plant trimmings, hay, straw, pine straw and pine cones, shall be collected at curbside provided that they are placed in neat piles.

(4) Loose leaves shall be piled loosely adjacent to and behind the curb or in front of a ditch (not in street, gutter, or roadside ditch) for collection by special vacuum equipment. Loose piles of leaves will not be collected unless they are free of trash, such as broken glass, rocks, twigs, cans or other debris that might damage collection equipment. During the seasons when the leaves most commonly fall, the specialized leaf collection equipment will collect leaf refuse on a residential basis. During the fall collection period, no appointments for leaf collection can be made. During the fall the town crews start the collection at one end of town and collect throughout town until the whole town is collected. At which point, the route begins again.

To request additional town issued roll carts please reach out to Kathy Bare, Utility Billing Clerk, at 336.838.3951.

If you have any questions related to property owner responsibilities for solid waste or recycling within the Town of Wilkesboro, please reach out to James Minton, Wilkesboro Public Works, at 336.838.0188.
